

Wednesday 8am EST Big Book Study

Welcome to this SAA tele-meeting Big Book study. To reduce static and background noise, would everyone please use the star 6 feature rather than the mute button on your phone. This is the best way you can help us keep the lines clear.

Let's open this meeting with a moment of silent meditation, each in their own way, followed by the serenity prayer. **(PAUSE)**

God, grant me the Serenity to accept the things I cannot change, Courage to change the things I can, and Wisdom to know the difference.

To paraphrase the Forward to the First Edition of Alcoholics Anonymous:

We, of Sex Addicts Anonymous, are more than one hundred men and women who have recovered from a seemingly hopeless state of mind and body. To show other sex addicts precisely how we have recovered is the main purpose of this book. For them, we hope these pages will prove so convincing that no further authentication will be necessary. We think this account of our experiences will help everyone to better understand the sex addict. Many do not comprehend that the sex addict is a very sick person. And besides, we are sure that our way of living has its advantages for all.

My name is xxxxxxxx from xxxxxxxx. I am a sex addict. My sobriety date is xxxxx xxxxx. If you don't have an AA Big Book you can access it on-line at www.aa.org/bigbookonline. This is an open meeting and as such all who have an

interest in sex addiction and our program of recovery are welcome. Because this is an open meeting, you need not identify yourself nor your reason for being here if you do not wish to do so. Your anonymity will be protected. We ask that you protect ours.

We would like to recognize those who have reached certain milestones in their pursuit of sobriety. Is anyone celebrating 1 month, 2 months, 3 months, 6 months, 9 months or an Annual birthday? **(PAUSE)**

We would also like to welcome any newcomers to SAA. If you are a newcomer please introduce yourself and tell us your name. This is not to embarrass you, but to help us to welcome you to this meeting.

(PAUSE)

(If any newcomers introduce themselves, welcome them and encourage them to stay on the line for fellowship at the end of the call)

If you have questions about how to work the Steps as instructed by the Big Book, your sponsor is the proper person to whom to pose them. If you are not getting satisfactory answers, if you are looking for a sponsor or a new sponsor, perhaps there is someone here who can help.

Will those of you who have worked these Steps, had a spiritual awakening and have the time and willingness to work with others please announce your names and your phone numbers, so that those looking for guidance will know to whom they can entrust their recovery? Please be sure you are qualified as a sponsor before offering your phone number.

(PAUSE)

Will those of you who are not available to sponsor or have not yet completed

your 12 steps but would like to offer support and fellowship please announce your name and phone number now.

(PAUSE)

In this meeting we stay focused on the instructions in the Big Book of A.A. Time and experience have proven it to be the most successful approach to the Steps no matter what the addictive problem may be. We as sex addicts know that we must be focused on two things: either applying these Steps or studying their instructions for better application. We know that if we do not do these things that we will surely act out. And for us, to act out is to die. For our study purposes, we will use the Big Book Study Guide prepared by members of Dallas's Primary Purpose Group of A.A. In this guide there are questions correlated with almost every sentence in the Big Book. Our group leader will read a question and call upon a member to read the corresponding sentence. If you feel comfortable doing so, please feel free to adapt the language to sex addiction except when it is historically pertinent. If you have comments regarding the text read, please restrict them to your insights into its message as it relates to sex addiction. We consider all else to be an outside issue. This includes personal problems. The proper venue for sharing such problems is with a sponsor. This, after all, is where real recovery takes place – in working the Steps with a sponsor. If you feel the need to check-in, please contact a member who has already shared their phone number. For the newcomers there will be a period of fellowship after the meeting where other issues can be discussed.

I will now turn the meeting over to the Big Book Study guide:

{Before we begin our Big Book study we will review a Tradition. This week's Tradition is _____. We will begin our study on page _____.}

Are there any SAA related announcements? **(PAUSE)**

Are there any prayer requests? **(PAUSE)** (the opening/closing trusted servant will maintain a prayer list for the month)

Please join me in a moment of silence for these prayer requests and for the sex addict who still suffers, followed by the Lord's Prayer, or a prayer of your own choosing said in silence. **(PAUSE)**

Our Father, which art in heaven, Hallowed be thy Name. Thy Kingdom come. Thy will be done on earth, as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, As we forgive those that trespass against us. And lead us not into temptation, but deliver us from evil. For Thine is the kingdom, the power, and the glory, for ever and ever. Amen.

(All meetings except the last Wednesday of the month, read the following)

It's now time for fellowship, and this is a great time to ask questions, feel free to leave at any time. Are there any newcomers with questions?

(Last Wednesday of the month only)

It is now time for the Group Conscience meeting, which will be followed by fellowship. If you are new, please stick around. We'd love to talk to you.

(Note to Trusted Servant: please review Robert's Rules of Order at

<http://www.robertsrules.org/> prior to the Group Conscience Meeting. We follow these loosely)

Group Conscience Meeting Agenda

Welcome to the Wednesday Morning SAA Big Book Study Group Conscience Meeting. My name is _____ and I'm a sex addict and your trusted servant for this meeting.

To paraphrase from Alcoholics Anonymous Appendix I:

“To those now in its fold, Sex Addicts Anonymous has made the difference between misery and sobriety, and often the difference between life and death. SAA can of course mean just as much to uncounted sex addicts not yet reached. Therefore, no society of men and women ever had a more urgent need for continuous effectiveness and permanent unity. We sex addicts see that we must work together and hang together, else most of us will finally die alone.

The Twelve Traditions of Alcoholics Anonymous are, we SAAs believe, the best answers that our experience has yet given to those ever-urgent questions, ‘How can SAA best stay whole and survive?’ ”

Would someone please read The Twelve Traditions, the short form, p. 562 of the AA Big Book.

Will the Secretary please read the minutes from last month's group conscience meeting? **(PAUSE)**

In keeping with our traditions, do we have any old business to discuss? **(PAUSE)**
(Start with any old business from minutes read then ask for any additional old business, if none, move on)

Do we have any new business to discuss? **(PAUSE)**
